

## INSTRUCTIONS FOR THE BJ BACKPACK CHAIR

FIGURE 1

1. Remove the chair from the plastic packaging.
2. Unfold the sides of the bottom lower frame. This will allow the internal spring to “force the foot” of the chair to unfold.
3. Place the chair with the opened bottom on a surface you wish to sit on.
4. Unlock the clasps holding the seatpad in place.
5. Position the seatpad in front of the back as shown in Figure 1 (item #6).
6. The Backpack chair is now ready for use as a seat.
